

Re-elect Michael Bilbrey to the CalPERS Board

Let's keep his strong voice for protecting our retirement security!

Michael Bilbrey is running for re-election to the CalPERS Board of Administration. It's crucial to re-elect Michael so he can continue advocating on behalf of CalPERS members and our retirement security.

Michael Bilbrey is committed to:

- Protecting your defined-benefit pensions
- Preserving and improving healthcare
- Increasing openness, transparency and input from all CalPERS members
- Remaining accessible and listening to members

Michael has the skills and experience to lead effectively and oversee investment, corporate governance, asset management, healthcare benefits and cost containment issues. He was first elected to the CalPERS Board of Administration in 2011 and has served on various CalPERS committees. He has been a statewide leader for classified school employees for more than 25 years and has been a member of the California Trustee Network, the Harvard Trustee Leadership forum and the Committee on Workers' Capital. In addition, he holds an MBA degree and has received extensive training in pension oversight and investment.
